

**Prior to Covid-19**  
Would you have normally kept your child home with the symptoms they have?

Yes

Keep your child home and report their absence to school as normal

No

Does your child have possible COVID-19 symptoms?  
⇒ A **NEW PERSISTENT** cough  
⇒ loss of taste or smell  
⇒ High Temp/Fever (over 38 Degrees Celsius)

Yes

Your child must stay home and along with your household self-isolated until a test can be arranged. You must remain in isolation until you receive the test results.  
  
Call 119 or visit [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus) To arrange a test

No

Does your child have any underlying medical conditions that may resemble symptoms of COVID-19 i.e. Cystic Fibrosis etc.

Yes

Speak to your GP and/or your child's consultant for advice. Ensure you communicate any advice with the school so they can support your child when in school or with remote learning if required.

No

Children with;  
⇒ Intermittent tickly cough  
⇒ Running nose  
⇒ Sore throat  
⇒ Seasonal cold  
Can remain in school if they are otherwise fit and well.
