Relationship Education	Respectful Relationships	
Ludcation	SIAMS Evaluation	
	Strand 5: Dignity and Respect	
	How well the school's Christian vision creates an environment that embraces difference where all pu	upils, whatever their background or ability, can
	flourish because all are treated with dignity and respect.	,, ,, ,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,
	In creating a school environment built on dignity and respect, the school must evaluate:	
	a) How well does your school's Christian vision and associated values uphold dignity and value all Go	od's Children*, ensuring through its policy and
	practice the protection of all members of the school community?	
	b) How well does the whole curriculum provides opportunities for all pupils to understand, respect a	*
	c) Does the school have an approach to relationships and sex education (RSE) that ensures children	
	unique and wonderfully made, and to form healthy relationships where they respect and offer digni	ty to others. (From 2020 onward)
By the end of	• the importance of respecting others, even when they are very different from them (for example,	physically, in character, personality or
primary school	backgrounds), or make different choices or have different preferences or beliefs.	
pupils should know:	• practical steps they can take in a range of different contexts to improve or support respectful rela	tionships.
	the conventions of courtesy and manners.	
	• the importance of self-respect and how this links to their own happiness.	
	• that in school and in wider society they can expect to be treated with respect by others, and that	in turn they should show due respect to others,
	including those in positions of authority.	
	about different types of bullying (including cyberbullying), the impact of bullying, responsibilities of the control of t	of bystanders (primarily reporting bullying to
	an adult) and how to get help.	
	what a stereotype is, and how stereotypes can be unfair, negative or destructive.	
Phase	• the importance of permission-seeking and giving in relationships with friends, peers and adults.  Key knowledge Vocabulary	
Year 1 & 2	Key knowledge  45. what kind and unkind behaviour mean in and out school	Same, Different, Change, Proud Respect,
Teal I & Z	46. how kind and unkind behaviour can make people feel	Support, Stereotypes
	47. about what respect means	Support, Stereotypes
	48. about class rules, being polite to others, sharing and taking turns	Trust, Honesty, Reliable, Acceptable,
	49. about the things they have in common with their friends, classmates, and other people	Unacceptable, Comfortable,
	50. how friends can have both similarities and differences	Uncomfortable, Resilience,
	51. how to play and work cooperatively in different groups and situations	
	,	,

	52. how to share their ideas and listen to others, take part in discussions, and give reasons for their views	
Year 3 & 4	<ul> <li>53. to recognise respectful behaviours e.g. helping or including others, being responsible</li> <li>54. how to model respectful behaviour in different situations e.g. at home, at school, online</li> <li>55. the importance of self-respect and their right to be treated respectfully by others</li> <li>56. what it means to treat others, and be treated, politely</li> <li>57. the ways in which people show respect and courtesy in different cultures and in wider society</li> <li>58. to recognise differences between people such as gender, race, faith</li> <li>59. to recognise what they have in common with others e.g. shared values, likes and dislikes, aspirations</li> <li>60. about the importance of respecting the differences and similarities between people</li> <li>61. a vocabulary to sensitively discuss difference and include everyone</li> </ul>	Caring, Safe, Difference, Special, Conflict, Solution, Resolve, Bystanding, Bullying, Gay, Unkind Feelings, Tell, Value, Worries, Consequences, Hurtful, Praise Welcomed, Valued, Team, Cooperation, Assertive, Agree, Disagree, Pressure
Year 5 & 6	<ul> <li>62. to recognise that everyone should be treated equally</li> <li>63. why it is important to listen and respond respectfully to a wide range of people, including those whose traditions, beliefs and lifestyle are different to their own</li> <li>64. what discrimination means and different types of discrimination e.g. racism, sexism, homophobia</li> <li>65. to identify online bullying and discrimination of groups or individuals e.g. trolling and harassment</li> <li>66. the impact of discrimination on individuals, groups and wider society</li> <li>67. ways to safely challenge discrimination</li> <li>68. how to report discrimination online</li> <li>69. about the link between values and behaviour and how to be a positive role model</li> <li>70. how to discuss issues respectfully</li> <li>71. how to listen to and respect other points of view</li> <li>72. how to constructively challenge points of view they disagree with</li> <li>73. ways to participate effectively in discussions online and manage conflict or disagreements</li> </ul>	Appreciation, Challenge, Rights, Responsibility, Consequences, Similarity, Differences, Culture.  Rights, Empathy, Consequences, Collaboration, Cooperation, Responsibilities, Normal, Disability, Empathy, Diversity, Bullying, Power, Control, Pressure, Assertiveness

	Child Bereavement UK <a href="https://www.childbereavementuk.org">https://www.childbereavementuk.org</a>	
	Winston's wish https://www.winstonswish.org/coronavirus/	

Winston's wish is a charity which has many resources to help us specifically through this challenging time. Winston's Wish supports bereaved children, young people, their families, and the professionals who support them.

#### At a Loss <a href="https://www.ataloss.org">https://www.ataloss.org</a>

A Christian based organisation. Does not focus specifically on children.

Has a helpful short film to support others who are bereaved <a href="https://www.ataloss.org/Pages/FAQs/Category/coronavirus-pandemic">https://www.ataloss.org/Pages/FAQs/Category/coronavirus-pandemic</a>

#### Cruse Bereavement Care https://www.cruse.org.uk/

Informative website with a lot of resources.

- It has specific section for schools and resources, for young people, for parents, for those supporting the bereaved and for understanding bereavement.
- It has a helpful 'page' on what to say
- <a href="https://www.cruse.org.uk/get-help/coronavirus/coronavirus-what-say-when-someone-grieving">https://www.cruse.org.uk/get-help/coronavirus/coronavirus-what-say-when-someone-grieving</a>

### Hope Again <a href="https://www.hopeagain.org.uk/">https://www.hopeagain.org.uk/</a>

Hope Again is the youth website of Cruse Bereavement Care. It is a safe place where you can learn from other young people, how to cope with grief, and feel less alone.

Here you will find information about their services, a listening ear from other young people and advice for any young person dealing with the loss of a loved one.

It has personal stories/films and comments in a 'youth helpful' way

Physical nealth and mental wellbeing	Internet safety and harms  SIAMS Evaluation Schedule Strand 4: Community and Living Well Together How well the school's Christian vision promotes social and cultural development through the practice of encourages good mental health, and enables all to flourish and live well together. By the end of primary school pupils should know:	<ul> <li>that for most people the internet is an integral part of life and has many benefits.</li> <li>about the benefits of rationing time spent online, the risks of excessive time spent on electronic device content online on their own and others' mental and physical wellbeing.</li> <li>how to consider the effect of their online actions on others and know how to recognise and display importance of keeping personal information private.</li> <li>why social media, some computer games and online gaming, for example, are age restricted.</li> <li>that the internet can also be a negative place where online abuse, trolling, bullying and harassment impact on mental health.</li> <li>how to be a discerning consumer of information online including understanding that information, in selected and targeted.</li> <li>where and how to report concerns and get support with issues online.</li> </ul>	respectful behaviour online and the can take place, which can have a negative
Phase	Key knowledge	Vocabulary
Year 1 & 2	194. how and why people use the internet 195. the benefits of using the internet and digital devices 196. how people find things out and communicate safely with others online 197. why some things have age restrictions, e.g. TV and film, games, toys or play areas 198. basic rules for keeping safe online 199. whom to tell if they see something online that makes them feel unhappy, worried, or scared 200. the ways in which people can access the internet e.g. phones, tablets, computers 201. to recognise the purpose and value of the internet in everydaylife	
	201. to recognise the purpose and value of the internet in everydaylife	

	<ul> <li>202. to recognise that some content on the internet is factual and some is for entertainment e.g. news, games, videos</li> <li>203. that information online might not always be true</li> </ul>	
'ear 3 & 4	204. how the internet can be used positively for leisure, for school and for work	
	205. to recognise that images and information online can be altered or adapted and the reasons for why this happens	
	206. strategies to recognise whether something they see online is true or accurate	
	207. to evaluate whether a game is suitable to play or a website is appropriate for their age-	
	group	
	208. to make safe, reliable choices from search results	
	209. how to report something seen or experienced online that concerns them e.g. images	
	or content that worry them, unkind or inappropriate communication 210. that everything shared online has a digital footprint	
	210. that everything shared online has a digital lootprint  211. that organisations can use personal information to encourage people to buy things	
	212. to recognise what online adverts look like	
	213. to compare content shared for factual purposes and for advertising	
	214. why people might choose to buy or not buy something online e.g. from seeing an advert	
	215. that search results are ordered based on the popularity of the website and that this can affect what information people access	

r 5 & 6	216. to identify different types of media and their different purposes e.g. to entertain, inform, persuade or advertise	
	217. basic strategies to assess whether content online (e.g. research, news, reviews, blogs) is based on fact, opinion, or is biased	
	218. that some media and online content promote stereotypes	
	219. how to assess which search results are more reliable than others	
	220. to recognise unsafe or suspicious content online	
	221. how devices store and share information	
	222. how to protect personal information online	
	223. about the benefits of safe internet use e.g. learning, connecting and communicating	
	224. how and why images online might be manipulated, altered, orfaked	
	225. how to recognise when images might have been altered	
	226. why people choose to communicate through social media and some of the risks and challenges of doing so	
	227. that social media sites have age restrictions and regulations for use	
	228. the reasons why some media and online content is not appropriate for children	
	229. how online content can be designed to manipulate people's emotions and encourage them to read or share things	
	230. about sharing things online, including rules and laws relating to this	
	231. how to recognise what is appropriate to share online	
	232. how to report inappropriate online content or contact	
	233. how to protect personal information online	
	234. to identify potential risks of personal information being misused	
	235. strategies for dealing with requests for personal information or images of themselves	
	236. to identify types of images that are appropriate to share with others and those which might not	

be appropriate 237. that images or text can be quickly shared with others, even when only sent to one person, and what the impact of this might be 238. what to do if they take, share or come across an image which may upset, hurt or embarrass them or others 239. how to report the misuse of personal information or sharing of upsetting content/images online 240. about the different age rating systems for social media, T.V, films, games and online gaming 241. why age restrictions are important and how they help people make safe decisions about what to watch, use or play 242. how balancing time online with other activities helps to maintain their healthand wellbeing 243. strategies to manage time spent online and foster positive habits e.g. switching phone off at night 244. what to do and whom to tell if they are frightened or worried about something they have seen online how to protect personal information online 245. **Resources including** Education for a Connected World is the UK Council for Internet safety (UKCCIS) framework of digital knowledge and skills for different ages and literature stages. Sexting advice from UKCCIS for schools on preventative education and managing reports of sexting. Thinkuknow is the education programme from National Crime Agency (NCA) and Child Exploitation Online Programme (CEOP), which protects children both online and offline. The site offers materials for parents, teachers and pupils on a wide range of online safety issues and facts about areas such as digital footprints, recognising fake websites and checking URLs.
