PRIMARY SCHOOL

Homework Summer 2

Year 5&6

Space

Choose from these suggestions for your research, writing and creating homework.

<p>Writing and Research</p>	<p>Year 5 & 6 are learning about the Earth and Space this term in our science and history topics. Our class books are Wonder and Cosmic.</p> <ul style="list-style-type: none">* Write a story or cartoon set in space. Imagine you are on a space mission. Where would you go? What might you find? Is there life?* Research the moon and find out more about the phases. You might like this idea using biscuits. http://www.giftofcuriosity.com/montessori-phases-of-the-moon-activities/* Design a menu for an astronaut. What might they eat on the International Space Station? https://www.nasa.gov/audience/forstudents/k-4/stories/nasa-knows/what-is-the-iss-k4.html
<p>Creative</p>	<ul style="list-style-type: none">* Make a space-inspired outfit for a fashion parade.* Design a planet. What are the features? Can you make it using paper-mache, modelling clay or another material?* Design or make a Space Station. It should include research areas and living quarters. https://www.bbc.co.uk/newsround/54785102 <div data-bbox="300 1491 564 1881"></div> <div data-bbox="609 1563 1091 1881"></div> <div data-bbox="1114 1621 1506 1881"></div>

**Choose from these activities for your Topic homework.
Please bring any homework or photos of homework to school by
Tuesday 12th July.**
