

ST. MARY'S CE
PRIMARY SCHOOL

Homework Spring 1 2024 Year 1 & 2

This half term, we are learning about Schools in the past.
Choose one activity from the research section and one activity from the
creative section to complete.

Research

Interview an older person and find out about their childhood and schooldays - to compare them with modern schools and children nowadays.

You could interview a grandparent, parent or other relative, or even a good family friend – the older, the better!

and

Create a timeline of events to show when they started school and when you started school.

or

Make your own weather and time diary to show how the hours of daylight changes. You will need to record your findings each day.

Creative

Design and make a playground game that could have been played in the past. How many players can play? What is the purpose of the game and how do you win?

Bring it into school so we can play it together.

or

Make a slider mechanism to make a moving picture. You could use ideas from a traditional tale – the gingerbread man, a mouse stealing cheese, make Harry Potter's car fly or any of your own ideas.

All activities must be completed by Tuesday 13th February 2024.
