

## Homework Spring 2 2024 Year 5 & 6

This half term, we are learning about population change.  
Choose **one** activity from the research section **and one** activity from the creative section to complete.

<p><b>Research</b></p>  	<p>1) Find out what <b>pull</b> factors attract people to move to our area of Stockton or wider area, Teesside or the North East of England. * Write a tourism poster to attract people to visit or settle here.</p> <p>2) Think about what factors might <b>push</b> people to move away from our area. What are the problems that you would want to change? * Write a letter to your MP to tell them what you think would improve our local area and what you want them to do about it.</p> <p>3) Find out about your family. Have they always lived in Stockton or have they moved here? See if you can find out the reasons why. Present your information in a manner of your choice.</p>
<p><b>Creative</b></p> 	<p>1. Design an attraction that would improve the area we live in. Label it to explain what it does and how it will help.</p> <p>2. Make a map of your perfect town or village. What features does it have? What makes it the perfect place to live?</p> <p>3. Write a short story or comic about someone who migrates. You could think about these prompts: Why did they move? What was the journey like? How easy has it been to settle in the new country?</p> <p>Useful Websites:  <a href="https://digimapforschools.edina.ac.uk/login">https://digimapforschools.edina.ac.uk/login</a>            Username: TS21 1DL            Password: spusps1142</p> <p>Google Maps <a href="https://www.google.com/maps?scrllybrkr=003c0d5d">https://www.google.com/maps?scrllybrkr=003c0d5d</a>  <a href="https://www.kiddle.co/">https://www.kiddle.co/</a></p>

**Homework is due to be uploaded to Seesaw or handed in to school  
by Tuesday 26<sup>th</sup> March 2024**
