

EYFS Spring 1 Homework Pick & Mix

Please choose 2 activities to complete by the last Tuesday of half term.

Send photos via Seesaw or bring into school.

Mini Bakers

Grab your apron, mixing bowl and an adult. Mix up some delicious cookies or biscuits to have with a nice warm winter drink (maybe even dip in).

What do wear in winter?

Can you dress yourself for a cold winter day. What do you need to wear? Can you put on your socks, footwear and fasten any buttons/zips (try your best- you can do it!)

Ice decorations

Can you freeze some water in some shallow containers and make some ice decorations. You could hang them on a branch outside.

Bird feeders

Feeding birds during the cold months helps them survive a time when food is scarce (to stay warm). Can you make a bird feeder using recyclable materials?

Story time

Make a cosy den and share a winter story together.

Welcoming a new baby

How were you welcomed when you were a baby? Talk to adults about who came to see you when you were a baby. Look at special photos. Were you baptised? If so, bring a photo or send one in to show us.
