## Homework Spring 1 2025 Year 1 & 2

This half term, our topic is How Have Toys Changed?

### Research

Complete the questionnaire with your mum and dad or grandparents and find out what toys they played with in the past.

Are there any similarities?

Are there any differences?

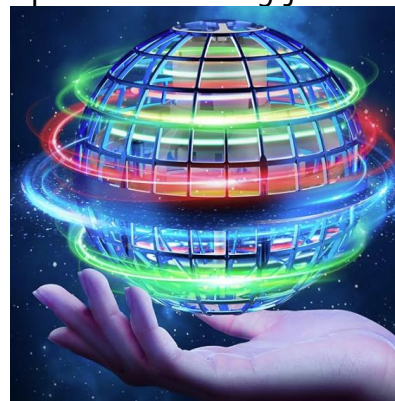

### Creative

We are finding out about toys from the past.

Can you design the toy of the future?

What will it look like? What will it do? How will it work?

Draw a picture of your toy, label it and write some sentences to explain its exciting features!

**All activities must be completed by Tuesday 18<sup>th</sup> February 2025**
