

# EYFS Summer 1 Homework Pick & Mix

Please choose 2 activities to complete by the last Tuesday of half term.

Send photos via Seesaw or bring into school.

## Smoothie maker

Can you blend up a tasty treat for a summer day? Pick your favourite fruits and help make a smoothie with a grown-up! What fruits did you choose?

## Flower Pressing

Can you pick some flowers, press them in a book for a few days and then create a beautiful picture, card or even bookmark with your pressed blooms? What flowers did you choose?

## Summer fruit basket drawing

Pick your favourite summer fruits. Could they be a watermelon, strawberries or even pineapples? Use bright colours to draw them in a basket!

## Nature Explorer

Go on a bug hunt! What will you discover? Can you go outside and explore your garden or a park. Can you find three different insects and draw them?

## Snack maths

Snack your way through adding and taking away! Can you use your favourite snacks like grapes or apple slices to practice adding and taking away?

## Sparkly ocean sensory bottle

Can you reuse a bottle to create a sparkling ocean? Fill it with water, blue glitter, beads to look like seashells and add a few drops of oil to create your own ocean. Watch the ocean glitter and shimmer! What will happen if you add different colours?
