

ST. MARY'S CE
PRIMARY SCHOOL

Homework Summer 2 2025 Year 1 & 2

This half term, we are looking at the question:

‘What does it look like to live by the coats?’

Research

Research a coastal town/city to find out why the coast is important to the place. Think about how we can protect the coast? What animals live by the coast? Please bring in your facts to share with the class.

Creative

Can you paint, draw or collage a picture of something you might see or find by the coast?

All activities must be completed by Tuesday 15th July 2025.
