

Homework Summer 2 2025 Y3/4

This term in History, we will be learning all about the Ancient Maya civilisation. We'll explore when and where they lived, how they built their cities in the rainforest, and what they believed in. We'll also compare what was happening in Britain at the same time and find out why the Maya civilisation eventually declined. Along the way, we'll learn how archaeologists and historians help us discover the past.

We will be thinking about the big question: How did the achievements of the ancient Maya impact their society and beyond?
