## Mini Chefs

Are you ready mini chefs? With some help from an adult, can you prepare a delicious fruit salad? How many fruits can you include?

## Baby Animals

Lots of baby animals are born in the spring. Find out the names of these baby animals: duck, pig, sheep, cow and chicken. You could ask a grown-up to help you find the answers on the Internet or in a book.

## Flower Power

In the spring, lots of flowers grow. Draw or paint a picture of a flower.

What colours do you need? Remember to draw the stem, some leaves and some petals.

## Perfect planting

Can you become mini gardeners and plant something? What will you plant? A flower or fruit seed? Remember to water it and keep a diary.

## Discovering dinosaurs

Can you research a specific dinosaur? Is it a carnivore or herbivore? How big is it?

## Weather Chart

Make a weather chart to show what the spring weather is like each day. You could draw a picture of the weather each day.
